

Dear Loyal Customers,

After much thought and deliberation we have decided not to offer the complimentary sunset cruise with our dinner entrees. We understand that this is something that customers have come to enjoy over the years. Please note that we took over the restaurant operations June of 2011 and the actual cruises are operated under a different business entity that we are not associated with. The cruises are operated by the Fisherman's Wharf. They can be contacted directly at 302.645.8862 or you can visit their website at www.fishlewes.com for additional information.

Again we sincerely apologize for any inconvenience this may cause to our loyal customers and we hope that you will continue to support The Wharf Restaurant.

Sincerely,

Russell & Joseph Lamplugh
